Designer Notes

The Wishbone two-sided aluminum 16" x 16" chess/checker board is the perfect addition to your outdoor gaming experience. The marine grade aluminum construction ensures that it will last for years to come, even in harsh outdoor conditions, making it the ideal choice for parks, patios, and gardens. This versatile board is designed to fit on most outdoor tables, providing the perfect gaming surface for chess or checkers. Ensuring that it stays secure in areas where it may be taken, the board comes complete with antitheft fasteners and the driver to secure or remove them if needed. What sets this board apart though, is its two-sided design. In the event that the board gets vandalized, there's no need to replace or prepare it. Simply flip it on-site, and you're ready to play on the other side. Overall, the Wishbone two-sided aluminum chess/checkers board is an excellent investment for anyone who enjoys outdoor entertainment and wants to add a touch of sophistication to their space. With its durable construction, anti-theft features, and unique two-sided design, it is sure to provide years of enjoyment for chess and checkers enthusiasts of all ages and skill levels.
